YOUR START. YOUR CHOICE. YOUR FUTURE.

The perfect start in the electrical trade begins with the right tools. With the new HAUPA cases, you are professionally equipped right from the very beginning – whether at the company, in the workshop, or at vocational school.

Tailored to the requirements of your apprenticeship, you will have exactly what you need for your daily work right at hand: safe, reliable, and durable equipment, put together with practical application in mind. Make no compromises and rely on tools that move you forward from day one.

- Max. case load 20 kg
- With document compartment
- With combination lock
- TSA lock
- hard shell
- high-leverage / lever-assisted, perfected cutting power performance (high-leverage pliers offer up to 50% effort reduction)
